What differentiates Inderes?

- 1 We have the **investor community** that provides valuable feedback and enables listed companies to reach a well-targeted audience.
- 2 We are building **integrations** between different IR software solutions, enabling increased **automation** and thus easier life for IR professionals.
- 3 One service provider vs. several vendors brings **cost-efficiency and convenience** for a listed company.

Market penetration of Inderes IR Software in Finland and Sweden.

40+ IR Software clients out of
~190 listed companies in
Finland

One IR Software client in Sweden out of
~1,000 listed companies in Sweden
